

	The Rockhampton Bridge Club Inc.	
By-Law - 04a.....	CLUB RULES	Approved: 8 June 2010

1. Purpose of By-law

This By-law has been issued by the Management Committee to inform members and visitors of the Club Rules as apply to all people using the club premises, and in particular to etiquette and good manners during bridge play sessions.

The intent is that each member shall do whatever is possible to ensure that all persons involved shall enjoy their bridge.

2. Club Rules

The Management Committee shall maintain Club Rules which shall be prominently displayed on the Notice Board and readily available to members. These Club Rules shall be updated as necessary by the Management Committee. The Club Rules document shall include the date on which the version was approved by the Management Committee, so that there is no confusion regarding what is the latest issue.

Club Rules may be reproduced for inclusion in other documents provided the inclusion includes a statement to the effect that the Club Rules information was correct as at (*issue date of version*). This will apply in particular to the annual Bridge Club Program.

3. Changes to Club Rules

While the Management Committee has the responsibility for maintaining the Club Rules, all members may submit proposals in writing for changes to the Club Rules, giving their reasons for such a change and the benefits which should arise.
